

CALICO CHARLEY'S OPINION.

THE EX-GOVERNOR OF OHIO FAVORS ANNEXATION OF CANADA.

And He Also Thinks Sherman Ought to Be Secretary of State—Senator Allison Replies to the Honorable Connecting Him with Harrison's Cabinet.

WASHINGTON, Dec. 17.—Ex-Governor Charles Foster, Ohio, who is at the Higginson house, evidently looks upon the proposition to annex Canada with favor, to the United States.

"I think the interests of both countries," he said, "are so manifestly one, that in some way or other they will get together some day. They will have to do that or go to war."

Speaking of the next secretary of the state Mr. Foster expressed the opinion that Mr. Sherman would satisfy more of the conservative element of the country than anybody else. He acknowledged, however, that Mr. Blaine has great claims upon Mr. Harrison and the Republican party—claims that will necessarily have to be considered.

He Will Avoid the Graveyard. WASHINGTON, Dec. 17.—Senator Allison was told this morning by a representative of the United States, that he had been offered the position of secretary of the treasury under President Harrison and that he had accepted the offer. Mr. Allison said: "There is no truth in this statement."

Mr. Allison's friends in the Senate say they do not believe he will accept the position of secretary of the treasury if it is offered to him. They believe he prefers life in the Senate, and that his presidential ambition is strong enough to keep him out of what is regarded as a presidential graveyard—the cabinet.

A Dog Bites a Boy. At Kaufman Deutch's stable, on West King street, there is a big black dog named looking dog that can always be seen sitting at the entrance from the street. Yesterday morning the animal wandered down to Wake street and was standing at the corner of Millin, on the railroad track, when the 8 o'clock train came along. The dog catcher struck the dog, sending him in the air. As he came down he was again struck and knocked into the gutter. Strange to say he was not hurt.

Settled the Cases. George Richardson and Nathaniel Tillison, two colored men who were complaining against some time ago by George Hafford, who charged them with being drunk and disorderly, have settled their matter by paying the costs before Alderman Deu.
